illed by Gases Which Follow Two Explosions in Third Avenue Drug-House.

The men of Engine Company 16 faced death twice to-day in a fire in Eimer & Amend's drug house. Nos. 205-211 Third avenue, when two explosions occurred, felling Capt. Morrison and the men under him, enveloping them with choking, deadly fumes of escaping chemicals and holding them prisoners while the fismes leaped about them.

Fire was discovered on the fifth floor of the drug house at 2.30 A. M. and was responded to by Engines Nos. 14 and 16. Capt. Morrison's men made their way to the sixth floor to light from above.

No One Hesitated.

There were quantities of drugs and explosives stored on the fifth floor, and they were thrown from their feet by the first explosion. None of them was rendered unconscious, but as they arose o their feet fumes arose from the hemicals and enveloped them so they ould hardly breathe.

Then there came a second explosion. Again the men were hurled about the abor. This time they got to their feet with difficulty, and so weakened were they that they had to assist one another to the street. The fire was gut under control after a loss of about \$10,000; Second Fire Fought.

Hardly had this drug fire been got under control when an alarm was sounded from Schaffer's tin shop, at Nos. 180 to 186 Cherry street, which backs on the plant of the Central Drug Company in Market street. When the firemen got to this blaze it was so threatening that a second glarm was sounded, and the men of No. 16 Company came galloping up. By hard work the firemen contined the blaze to the tin plant.

Of Disfiguring Humors

Every child born into the world with an inherited tendency to tor-turing, disfiguring humors of the Skin and Scalp, becomes an object of the most tender solicitude, not only because of its suffering, but because of the dreadful fear that the disfiguration is to be lifelong and mar its feture happiness and prosperity. Hence it becomes the duty of mothers of such afflicted children to acquaint themselves with the best, the purest, and most effective treatment available, viz.: the CUTICURA Treatment, con-CURA Soap, and gentle anointings with CUTICURA Ointment, the great Skin Cure. Cures made in childhood are speedy, permanent, and economical.
